

CITY CROSS

You're shopping in Rundle Mall with your best girlfriend and you need a refreshing pick-me-up... it's time for a Boost Juice! As you walk into City Cross, the new Forever New store might capture your attention, and there's absolutely no need to fight the urge to go in – Micaela and Lily certainly didn't! Once you've tried on all of the coolest new season pieces (winter coats have only just landed in store!), venture further into City Cross and discover all of the cute shops within. On ground level, you'll find the sweetest home and kitchen knick-knacks at MiniMax, gorgeous tools for self-love and spirituality (salt lamps and tarot cards anyone?) at Karma Living, and stunning jewellery at Archer & Holland. Upstairs, Rebel Sport has got all of your exercise gear and sports wear designed by Dele & Gabbana. Harvey Norman has got everything from iPhones to stylish rattan planters and even a Smeg tea
